WELCOMING & INVITING JESUS IN: SPIRITUAL FORMATION

Be With Jesus in order to more abundantly Be Jesus

"The effect of such continuous study under Jesus would naturally be that we learn how to do everything we do as if Jesus himself were doing it." – Dallas Willard, Divine Conspiracy

Spiritual Formation Definition:

Regular practices motivated by God's affection for us and our returning affection for God that places us where God can transform our souls

Matthew 1:22-23 God With Us

"God has invited us to experience the fullness of all this by living our lives with disciplined intent. A great deal hinges on our response to God's invitation." – Glen Scorgie, A Little Guide To Christian Spirituality

"The old mystics were fond of saying that we are 'Capax Dei', that is, capable of receiving and embodying the divine life."

We say: Be Jesus!

"The Christian life is a Spirit-enabled relationship with the triune God that results in openness to others, healing progress toward Christ-likeness, and willing participation in God's purposes in the world." - Scorgie
